## Choose Best-in-Class UV Image Quality and Affordability

The Rastek™ H650 UV hybrid from EFI™ delivers best-in-class image quality at an affordable price. It's the perfect choice for production and print shop environments where quick service, superior image quality and smaller footprints are the keys to customer satisfaction and increasing profit.

### The printer comes with several benefits:

- Produces photographic image quality for demanding customers.
- Comes with four-colour plus optional white ink support for spot colour and under and overprinting, so businesses can get more options to increase their capabilities and profits
- Handles a wide range of flexible and rigid media quickly and easily with specialised vacuum belt media transport system.
- Has gray scale print heads that produce exceptional image utilising, saturated colours and smooth colour gradations by utilising seven size drops ranging from six Pico-liter drops for fine detail to 42 Pico-liter drops.

### Ideal Applications:

- Banners
- Billboards
- Display graphics
- Exhibition graphics
- Flags
- Indoor and outdoor signage
- Posters
- Point-of-Purchase advertising

### Optimised and tested on:

- Fome-Cor
- PVC
- Styrene
- Corrugated plastics
- Plywood
- MDO
- Paper
- Aluminum
- Aluminum plastic composite
- Cardboard
- Acrylic
- Glass
