OVERVIEW

The Topaz T53-XLF is an optimised, mild solvent ink, available in five litre bottles for optimum use in the HP / Scittec XLJet printers using Xaar 128/200 (80pl) print heads.

This ink offers excellent press stability and is fast drying for uninterrupted printing for extended periods.

Chemically compatible with the OEM ink, the Topaz T53-XLF formulation contains the most robust pigment chemistries, ensuring the best possible outdoor durability, together with an extended colour gamut.
